

ELEVATING RADIOLOGY

LEAD LOGIQ Expert Academy Days

Brought to you by GE Healthcare Ultrasound, LEAD (LOGIQ EXPERT ACADEMY DAYS), brings experts together in order to build a LOGIQ super users network, and offers hand-on educational experiences which aims to improve knowledge of advanced ultrasound and elevate diagnostic confidence.

LEAD Clinical
Breast Ultrasound Imaging
Techniques (Hand-held and ABUS)

10 CME Points

Date

March 23-24, 2019

Venue

Jeddah Hilton Hotel
Saudi Arabia

LEAD | Day 1

09:45 - 10:00	Registration	
10:00 - 10:15	Opening remarks	
10:15 - 10:30	Hand-held ultrasound- Basic scanning techniques	Dr. Nouf Abdullah
10:30 - 12:00	<ul style="list-style-type: none"> • ACR BI-RADS for ultrasound benign and malignant features • Ultrasound evaluation of benign and high-risk lesions • BI-RADS Quiz: A multi-modality approach 	Dr. Nouf Abdullah
12:00 - 13:00	Lunch break	
13:00 - 14:00	Hands-on Session 1: <ul style="list-style-type: none"> • Systems orientation – Knobology (G) • Hand-held ultrasound scanning techniques (N) • Breast lesions scanning (Cases Review) (A) 	
14:00 - 14:30	Management of high-risk breast Lesions	Dr. Athina Vourtsis
14:30 - 14:45	Strain elastography and productivity tools – Live demo	GE Healthcare
14:45 - 15:00	Break	
15:00 - 16:00	Clinical case review	Dr. Nouf Abdullah
16:00 - 17:00	Hands-on Session 2: Strain elastography and productivity tools Breast interventional procedures – Basic core biopsies	

LEAD | Day 2

09:45 - 10:00	Registration	
10:00 - 11:15	Introduction to ABUS (Automated Breast Ultrasound)	Dr. Athina Vourtsis
	Personalized breast cancer screening – A new concept	Dr. Athina Vourtsis
11:15 - 11:30	Scan station demonstration	GE Healthcare
11:30 - 12:30	Hands-on Session 3: ABUS workstation clinical cases	
12:30 - 12:45	Invenia™ ABUS local implementation at Jeddah International Medical Center	Dr. Nouf Abdullah
12:45 - 13:45	Lunch break	
13:45 - 14:30	Interventional breast solutions	Dr. Nouf Abdullah
14:30 - 14:45	Latest solutions for interventional breast imaging	Bard Medical
14:45 - 15:00	Break	
15:00 - 16:00	Hands-on Session 4: Latest Techniques in interventional breast procedures	
16:00 - 16:50	Discussion and Q&A	

Speaker:

Athina Vourtsis, MD, PhD

President of the Hellenic Breast Imaging Society
and Deputy Secretary of SIS

Dr. Athina Vourtsi has published more than 36 papers in Greek and international scientific medical journals and has participated in many research programs. Since 2009 she actively participates as a speaker and trainer in the seminars of IBUS (International Breast of Ultrasound School) which are organized internationally. Since 2012 she has been an active member of the international scientific team of IBUS. Dr. Athina Vourtsi, MD, PhD graduated from Athens University Medical School in 1993 and completed a residency in Diagnostic Radiology in 1997. In 1998 she was conferred a Ph.D. title from the University of Athens. Subsequently, she received training in breast imaging Cornell Medical Center, New York. She is the founder and president of the "Hellenic Breast Imaging Society (EEAM). In September 2014 she was appointed as Honorary President of the organization of the 1st Congress of EUASSO "European Society of Surgical Oncology" in Athens.

Speaker:

Dr. Nouf Abdullah, MD, PhD

Consultant Radiologist, Women's Imaging

Dr. Nouf Abdullah is a Consultant Radiologist, Women's Imaging Radiologist at International Medical Center, Jeddah, Saudi Arabia. She finished her residency training and obtained her fellowship in Women's Imaging from McGill University, Montreal, Canada. From 2010-2013 she worked at King Abdul Aziz Medical City in Riyadh and Jeddah where she was the section head of breast imaging and the radiology residency program director. From 2013- 2015 she was the radiology residency regional program director in the western region from 2013-2015. Starting 2011, she started a lecture based and approach based radiology review course which was held at King Abdul Aziz Medical City and IMC (International Medical Center) in Jeddah and Riyadh, Saudi Arabia. Currently Dr. Nouf Abdullah is Section Head of Breast imaging and Deputy Chairperson of Medical Imaging Department at International Medical Center, Riyadh, Saudi Arabia.

Target Audience:

Radiologists with interests in Breast Imaging
Attendees are eligible for a free 1 year RSSA membership
